ABOUT THIS PLAN

The Stallworth floorplan has massive amounts of space inside its five bedrooms, four full bathrooms and bonus room. It features two bedrooms downstairs, one the huge primary suite and another large bedroom both with walk in closets and connecting bathrooms. The primary suite includes a well-lit sitting area in addition to the bedroom area perfect for a quiet reading area. The primary bath boasts a corner double vanity for plenty of storage space and a toilet room closed along with a walk in shower, large soaking tub and linen closet. The airy great room with gleaming hardwoods in the heart of the home is open to the large kitchen complete with a gorgeous granite island that is large enough for seating several people; perfect for entertaining and cooking at the same time. Plenty of cabinets and counter space line the back wall along with the wall oven and cook top. An enormous pantry completes this stunning kitchen that can accommodate many people. Off of the kitchen is a connecting flex room that can be used as a formal dining area or office space. On the other side of the
